Public Works Summer Work

- **Main Street Rehabilitation**- CN Tracks to PTH 83; replace water utility infrastructure.
- **Water Treatment Plant Programmable Logic Controller (PLC) Replacement** – Current PLC are at the end of their life cycle.
- **Paint Depot** - For drop off of paint and supplies. Please check out our website for list of items that are accepted.
- **Street Pavement** - The Town has awarded the 2020 asphalt tender, which will include 27 various patches within Town due to utility excavations or road wear and tear. As well as the paving of Main Street trench areas due to utility infrastructure replacements.
- **Sidewalk repair** – The Town is looking at multiple repair of dozens of trip hazards that currently exists in our sidewalk network.

Be aware of Construction Crews:

Residents and visitors should be aware of construction signs and slow down when passing through construction areas. Control of your vehicle is lost in seconds, lower speeds greatly reduce your risk of an accident, our workers appreciate your cooperation and attention on this matter.

Building Permits

A development and/or building permit may be required to be submitted to the Town of Swan River for any new structures or renovations on all properties within the town limits. This may also include upgrades that are non-structural.

To confirm if a permit is necessary for your project, call the Building Inspector at 204-734-4586.

Town Office and CAO

The CAO and the office team answer inquiries and direct requests to various departments. Please call 204-734-4586 for info on taxes, billings and general inquiries.

The Town provides service in at least two ways:

- Local democratic governance (Council, Local Elections, Local Boards)
- Provincially delegated or locally desired services: (Fire, Police, Water/Sewer, Waste Services, Local Planning, Recreation, etc.)
