

Town of Swan River

Sanitary Sewer Flushing

Public Works crews will be flushing sewer mains in October and November. Please use caution when passing workers, as their work areas are on the centerline of the roadway.

During flushing operations please leave your toilet seat down to prevent pressure from the flushing operations splashing water out of your toilet. If you have any questions, please contact the Town office at 204-734-4586.

The following streets will be flushed:

Main St, between 4th Ave and Valley Rd

1st St N east of 9th Ave
