

# SLWD COMMUNITY TREE/SHELTERBELT ORDER FORM

<b>Name:</b>	<b>Mailing Address:</b>	
<b>Town:</b>	<b>Province:</b>	<b>Postal Code:</b>
<b>Telephone Number:</b>	<b>Email Address:</b>	
<b>Legal Address of Project Site: (Section/Township/Range or Street Address or Lot/Plan):</b>		

Are you planning a shelterbelt to reduce soil erosion, improve wildlife habitat, increase crop yields, reduce surface water runoff & improve soil moisture, or for the protection of livestock? If so, then you may be interested in our \*new\* GROW Program! GROW provides incentive payments to landowners who provide ecological goods and services to our watershed! If you are interested, please let us know!

**RECOMMENDED TREE AND SHRUB SPACING FOR SHELTERBELTS:**

- Deciduous trees -at least 2.5m (8ft) apart
- Deciduous shrubs -at least 1.0m (3ft) apart
- Coniferous trees -at least 4.5m (15ft) apart. Siberian Larch at least 2.5m (8ft)

**TREE QUANTITY CALCULATION EXAMPLE:**

Distance of planting (m)	divided by selected species spacing	equals total trees required
E.g. 1000m	2.5m (Green Ash)	400 trees

**Pricing and trees come in bundles of 25. Price includes GST and shipping from supplier(s). Full payment is required at time of order placement – only cash or cheque is accepted. Order form deadline is Friday, February 11<sup>th</sup>, 2022**

Deciduous Trees	Price/Bundle	# of bundles	TOTAL
Black Walnut ( <i>Juglans nigra</i> )	\$55.00		
Silver Maple ( <i>Acer saccharinum</i> )	\$45.00		
Bur Oak ( <i>Quercus macrocarpa</i> )	\$55.00

<b>Tree Sub-total</b>			
<b>PLASTIC MULCH (1500ft x 4ft)</b>	\$190.00		
<b>TOAL AMOUNT OWING</b>			

**\*\*\* Please read all conditions and responsibilities listed on the reverse side of this form prior to signing \*\*\***

## Terms and Conditions

### Objective:

- To provide young tree seedlings for large plantings in an area that will produce environmental benefits.
- Swan Lake Watershed District (SLWD) recognizes the environmental benefits that trees can provide, but that larger tree planting projects can be expensive. SLWD will provide young tree seedlings as per the cost schedule in the order form for community trees; we are able to obtain cost savings by buying in bulk.
- Landowner is responsible for preparing the site, planting the trees, and all maintenance of trees and site.

### General Information:

- Order forms are due by Friday, February 11<sup>th</sup>, 2022, with pick-up of the trees for planting in the spring.
- **Full payment must accompany the order form. Only cash or cheque (payable to Swan Lake Watershed District) is accepted.**
- No change in orders or refunds are considered once the order has been placed by the SLWD with our tree supplier(s) after the deadline.
- Tree seedlings are expected to arrive between May 1 – May 15. Seedling pick-up will be determined by the SLWD and all persons will be notified as soon as possible. **Public health orders apply.**
- All seedlings must be picked up at the SLWD (559-4<sup>th</sup> Ave N. in Swan River) during the hours of operation (Monday-Friday 8:30AM-12:00PM; 1:00PM-4:30PM)
- Any seedlings purchased but not picked up during the pickup dates, will revert to property of the SLWD unless prior arrangements have been made. No refunds will be issued.
- **Swan Lake Watershed District does not provide warranty stock.**
- Due to the nature of the nursery business, there may be instances where the SLWD is unable to supply the order requested. In these instances, the purchaser can either take a substitution of stock of equal value, refund, or credit for the following year. Additionally, the SLWD is not liable for any direct or indirect, special incidental or consequential damages incurred or claimed by the purchaser.
- Applicant will indemnify and save harmless the SLWD, their agents, engineers, servants and/or employees from any liability that may result from this project.
- Tree seedlings are usually 6-24 inches, with bare root or plug, in height at time of delivery, depending on species.
- SLWD reserves the right for reasonable access to the project site for inspection and to promote the program.
- **Machines for tree planting and plastic mulch application are available for rental. Contact SLWD staff for more details.**

**I hereby declare that I have read the terms and conditions above and agree to abide by the terms.**
